God Makes Samson Strong

Before Samson was born, an Angel told his parents that God would make Samson very strong. God wanted Samson to help save the Israelites from their enemies. Samson grew up and the Lord blessed him with great strength.

The Last Supper

Jesus had one last meal with His disciples. He took some wine and said: "Take this and share it." Then He blessed some bread and said: "This is my body." The bread and wine were now the Body and Blood of Jesus.
