It's Bedtime

AS I get into bed,
I thank you, my Angel,
for watching over me.
With you near me,
I feel very safe.
How blessed am I
to have my very own
Guardian Angel.

BEFORE I sleep, Guardian Angel,
help me to thank God.
Thank You, God the Father, for the
wonderful world You made.
Thank You, God the Son, for dying
and rising to save me from my sins.
Thank You, God the Holy Spirit,
Who was sent to make me holy.

Help Me with My Fears, Guardian Angel

I'M afraid I'm
not showing God
how much I love Him.

I'm afraid I'm
not pleasing my parents.

I'm afraid I'm
not doing well enough
in school.

I pray for your help with my fears.
I so want to love God, obey my parents,
and do well in my studies.
