Jesus Is Born

Jesus was born in a stable in Bethlehem. His parents could not find a place to stay, so He was born in a poor shelter, but one that was filled with love.

Mary and Joseph loved their child, who was the Son of God.

Shepherds came to welcome Him. Wise men, too, came from far away countries to bring gifts to the new born king. They followed one star and found the king and savior of the whole universe.

We remember Jesus' birth on Christmas Day.

Jesus Performs a Miracle

Crowds of people would gather around Jesus as He sat on hillsides and preached His message. They would listen for many hours.

Jesus always had a special love for children. He always welcomed them and gave them His special blessing. He held them close to His heart.

One time when everyone had listened for many hours, Jesus wanted to feed them. A little boy had five loaves of bread and two fish. Jesus shared them with the people. Everyone had plenty to eat, and there were twelve baskets of food left over.
